First Row, Left to Right: Miss Gortney, Home Economics; Miss Wright, Geography; Mrs. Priode, English; R. G. Winter, Principal; O. H. Schaaf, Superintendent; Mrs. McDonald, Hygiene; Miss Thomas, R. W. S.; Miss Hughes, History.

Shelby High School, Principal.

In recognition of his 25 years as principal of Piqua Central, we present this annual as a special tribute to Mr. Robert G. Winter.

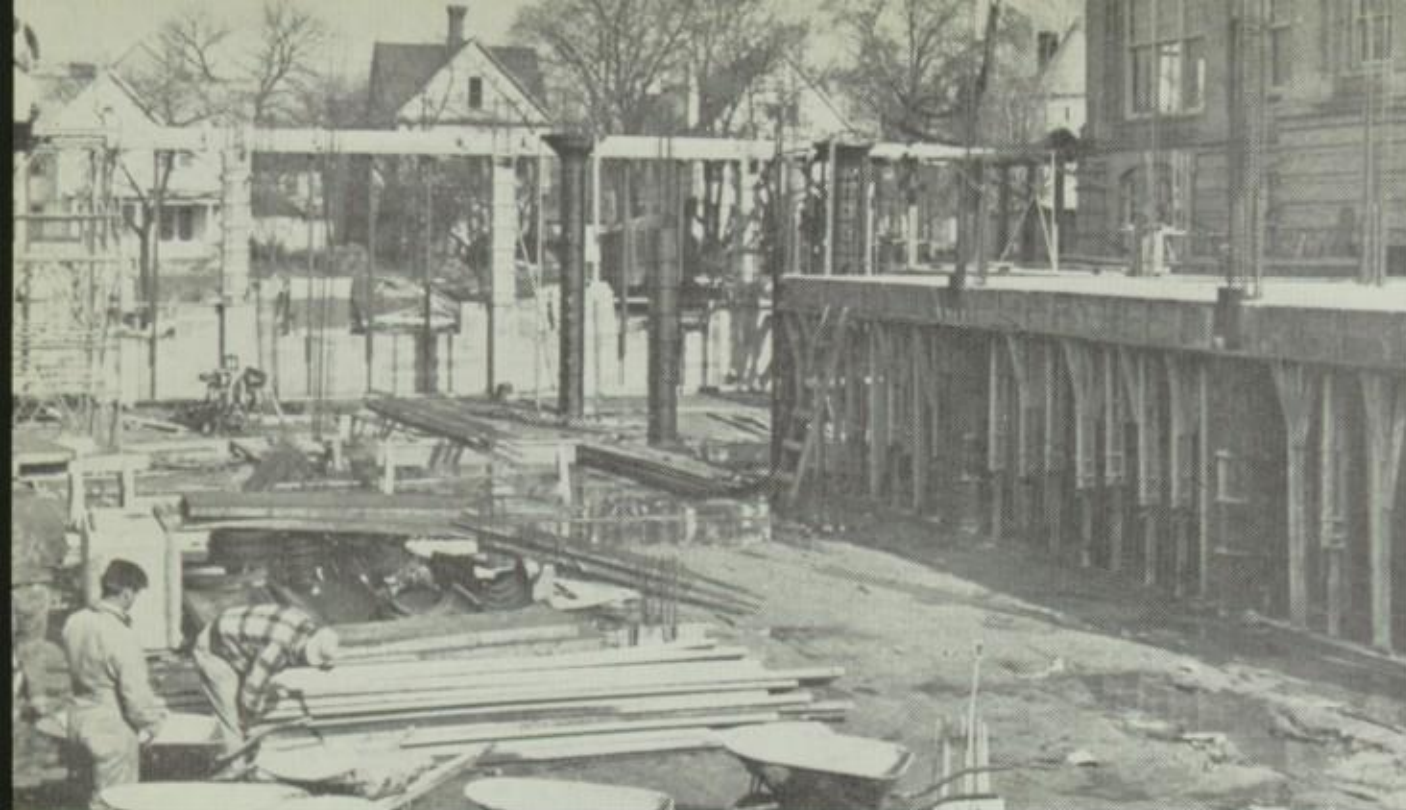

There have been tremendous changes in Piqua Central since Mr. Winter came here as a young principal in 1944. One of the greatest changes has been in the size of the student body and faculty. Many improvements have been made in curriculum and administration under Mr. Winter's guidance and supervision. We were a four year high school then and we were still offering a course in agriculture. Since then the curriculum has been expanded and improved. Guidance services and a full-time librarian have been added, along with a comprehensive reading clinic. Since the addition of the Vocational Machine Shop (Trades and Industries) in 1949, many other vocational courses have been offered. New additions were completed in 1950 and in 1965. Facilities have been greatly improved; for instance we have one of the finest libraries in this area. Old methods and concepts have given way to new, and Mr. Winter has been the central figure in this complex of growth and planning . . .

New addition - 1950

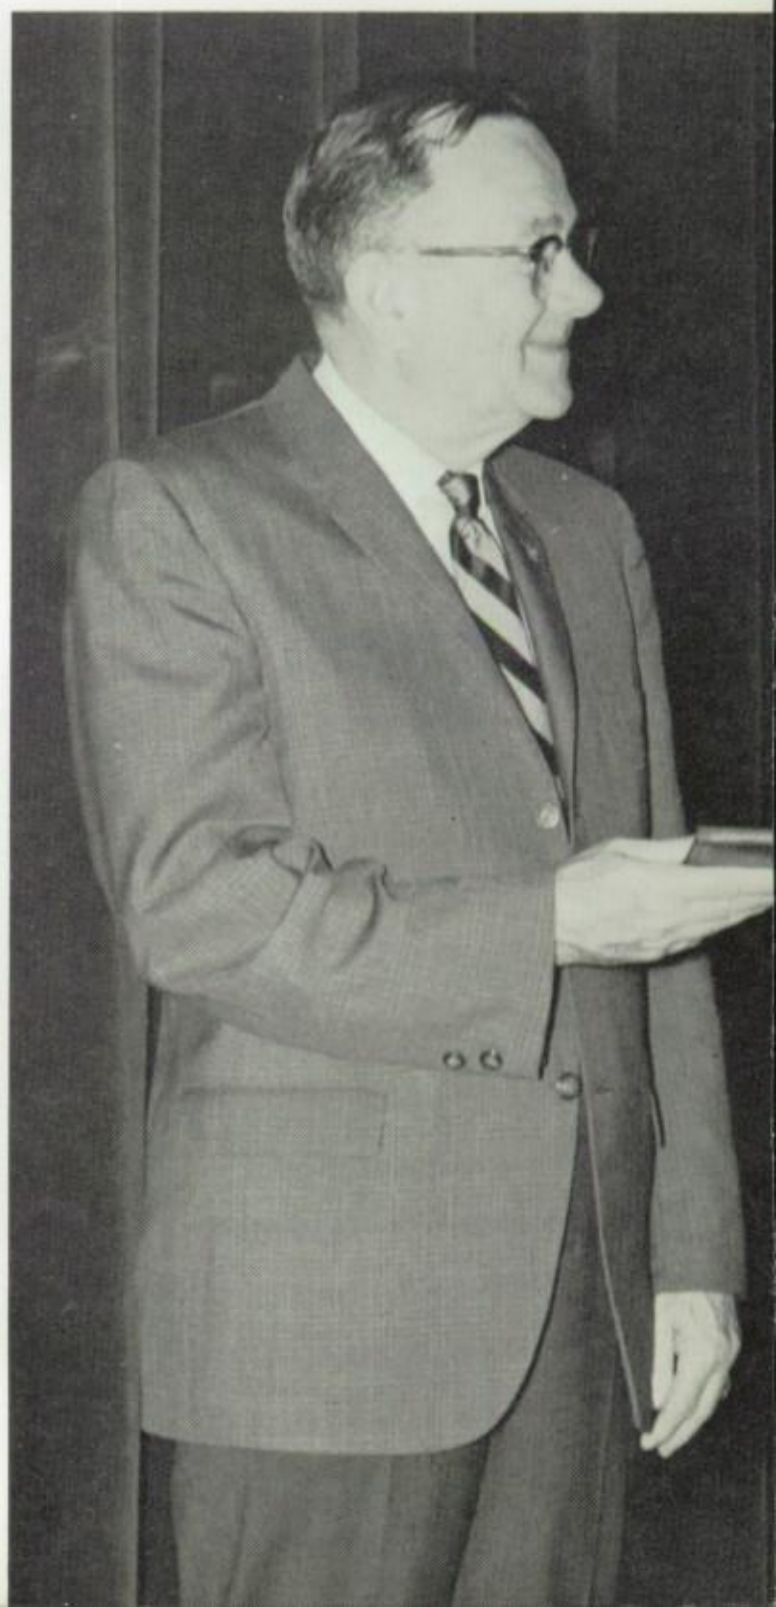

Our dynamic principal.

... Mr. Winter has always encouraged and fostered school spirit through word and deed. He has shown great personal interest and enthusiasm in all sports, plays, and other school activities. Over these many years he has always been concerned with students as individuals. Often his humor and personal warmth have eased the tensions of a critical situation and allowed those involved to gain new perspective.

We wish to express our deep gratitude and best wishes, not just on behalf of this class but on behalf of the thousands of students who have known and respected such an educator.

An oft-repeated duty.

Of all things that are, the most ancient is God, for He is uncreated. The most beautiful is the universe, for it is God's workmanship. The greatest is space, for it holds all things. The swiftest is the mind, for it speeds everywhere. The strongest, necessity, for it masters all. The wisest, time, for it brings everything to light.

All the knowledge in the world is worth nothing unless it is used with wisdom.

**CLASS COLORS**  
Black and White

Joyfully, the class of 1969 has reached one of their more important goals in life — Graduation! It is a big moment in life and a time to reflect the past before stepping into the future. Many experiences, both happy and sad, can be remembered and are now memories to be carried into the future. Who can forget the first day as a Sophomore, or the many

times grade cards were issued, or all the excitement of the various sports, or the tremendous feeling of Piqua pride, or the Junior-Senior party, or finally Graduation itself? What is attained in high school is a strong foundation for any further learning and provides the important step to a successful future.

Los Ninos took on a project of sponsoring a scholarship to be given to a senior who shows outstanding scholarship in Spanish. The students of La lengua espanola made pinatas and sold them as their money-making project.

April 14 through April 18 marked a week of meaningful activities because this was La Semana Panamericana or Pan American Week. Steve Clevenger and Cathy Schoening danced the "jarabetapio" as part of the Pan American celebration. Again the Los Ninos are planning a dinner trip to Su Casa restaurant in Columbus to conclude a very active year. Mr. J.L. The 300 Club is an organization of sophomore, junior, and senior girls who have earned 300 points by participating in school and individual sports. A shield is given to those who earn 300 points. Those who earn 500 points receive a letter and those who earn 1000 points receive a charm.

During the year, under the direction of Miss Heller, the advisor, the club had a pencil sale prior to the basketball season, and a Gymboree in April to earn money. The money was used to help pay for the awards, and to purchase new golf putters for use in gym classes. The Gymboree, held in the field house, included the all star volleyball tournament and the presentation of awards.
